

About Tiang & Partners

Tiang & Partners
程偉賓律師事務所

Tiang & Partners is an independent Hong Kong law firm associated with PwC Legal International Pte Ltd (a licensed Foreign Law Practice) in Singapore, a member of the PwC global network of firms.

We also collaborate closely with Beijing Rui Bai Law Firm and Shanghai Xin Bai Law Firm (both are licensed law firms in China and PwC member firms).

The PwC network of law firms is the most geographically extensive legal services network in the world where 3,600 lawyers in nearly 100 countries, including over 20 offices across 15 countries in Asia Pacific, are all accessible at your fingertips.

Not your traditional law firm

It's not just about the legal advice when you work with us. For each problem your business faces, we are able to draw on our vast resources from the PwC global network of firms, to package together the right mix of PwC lawyers, consultants, commercial advisers, financial advisers, accountants, and strategists to help you build a solution in the most efficient way possible. This ability to work across disciplines as part of a broader team differentiates us from the traditional law firms you may know, and provides you with access to a team that can address all aspects of the issue, resulting in better outcomes for your business.

What sets us apart

It's not just about the legal advice when you work with us. We are committed to being a trusted partner, always seeking to bring the best quality, service, and value to you.

Technology is driving rapid change within professional services. We are investing in technology that spans many disciplines, not just legal, enabling you to leverage a broader set of initiatives.

Cut through multiple lines of communication on complex, multi-jurisdictional mandates through an accountable single point of contact.

Receive an end-to-end service with experts across different disciplines working together to give you the edge when issues arise. We can help you solve the whole of your problem, not just part of it.

Working together across an integrated team helps us understand your business intimately, so we know what's important to you. When you have a question, we will find an answer to manage all your risks.

You receive seamless service without friction between different providers. We always aim to remove hand-over issues.

Enable your in-house legal team to get early visibility of broader business and industry issues. We can facilitate communication.

By reducing the amount of coordination through leveraging the whole of PwC's relationship with you, we save time. And we pass on those savings to you.
